

**Statement on the transparency of the promotion of environmental or social characteristics and of sustainable investments on websites  
(the “Statement”)**

**of**

**Carne Global Fund Managers (Ireland) Limited**

**(the “Company”)**

**March 2021**

## Background

The Company is authorised by the Central Bank of Ireland to provide UCITS Management Company/AIFM services to a range of collective investment schemes domiciled in, but not limited to, Ireland and Luxembourg (the “Schemes”).

As per Regulation (EU) 2019/2088 (“SFDR”), the Company is defined as a “financial market participant”.

In line with Article 10 of SFDR, financial market participants are required to “publish and maintain on their websites the following information for each financial product referred to in Article 8(1) and Article 9(1), (2) and (3):

- (a) a description of the environmental or social characteristics or the sustainable investment objective;
- (b) information on the methodologies used to assess, measure and monitor the environmental or social characteristics or the impact of the sustainable investments selected for the financial product, including its data sources, screening criteria for the underlying assets and the relevant sustainability indicators used to measure the environmental or social characteristics or the overall sustainable impact of the financial product;
- (c) the information referred to in Articles 8 and 9;
- (d) the information referred to in Article 11.”

The purpose of this Statement is to disclose the location of the above information in respect of the Schemes to which the Company acts as UCITS Management Company/AIFM which have been designated as an Article 8 or an Article 9 product for the purposes of SFDR.

These disclosures will be updated and revised prior to the effective date of the Regulatory Technical Standards pertaining to SFDR on 1 January 2022.
